

## Questionnaire on Multilateral youth exchange

**Dear Staff Members,**

the questionnaires are an aid for the evaluation of youth exchange programmes. On this questionnaire each member of staff will give his/her own goals for the programme. Then, at the end of the programme, the participants will fill out their own questionnaires. All data is evaluated anonymously. This is not about control, but rather about supporting your work. An important request: The evaluation of the programme only makes sense if you, as staff members, support the survey. Please fill out this questionnaire honestly - and, at the end of the exchange programme, motivate the participants to fill out their questionnaires

**Thanks very much!**
